# A Real Opportunity to Buy the Blood of Sni-A-Bar Control, Morlunda Prince Peter, and Supreme Goldfinder

Here is an excellent opportunity to buy breeding stock that has been working for its owners. A choice selection from three strong herds that allows a wide choice in bloodlines and individuals. There are several top herd bull prospects, a strong group of cows with calves at foot and a nice selection of bred and open heifers.

EMERY LARSON, HARLAN, IOWA, sells 10 bulls and 24 females in order to settle the estate of his late father, Geo. Larson. The bulls are all yearlings and Senior calves. Three are sons of SNI-A-BAR CONTROLOR 2354724 and seven are by SUNBEAM JOFFRE 2nd, a grandson of the Bellows-bred Show bull, Parkdale Supreme. The females include eight cows with calves at foot and rebred, seven bred heifers and nine open heifers. The cows are daughters of such bulls as Edellyn Martius Mercury, Cruggleton Aspiration and the bulls mentioned above. All are bred to Sni-A-Bar Controlor. The Larson herd has produced more prize winning steers at the Ak-Sar-Ben Stock Show than has any other herd.

HERMAN B. LEITING, ARCADIA, IOWA, sells 3 bulls and 7 females. One bull is by Morlunda Prince Peter and a real prospect, the other two are by Helfred Romeo. There are three young cows with calves at foot by Morlunda Prince Peter and rebred, the other four are young cows and heifers all mated to Morlunda Prince Peter. The females include four daughters of RANSOM SELECT and others by EDELLYN GOLDEN COUNT and DIVIDE STATESMAN.

GINGERY & BYRNES, HARLAN, IOWA, sell 1 bull by GOLDFINDER SULTAN, a half-brother to the \$7000.00 Supreme Goldfinder. Five open heifers, daughters of Goldfinder Sultan and Divide Javelin are also being sold. There are four BRED COWS all mated to Goldfinder Sultan and daughters of Goldspur's Villager. This herd has been producing easy fleshing cattle and calves by Goldfinder's Sultan and have made remarkable records at the 4-H steer shows, including a Purple Ribbon steer at the 1948 Ak-Sar-Ben.

All cattle sell T. B. and Bang's tested and fully guaranteed.

Buyers can benefit from the cattle being offered in this sale because the records are good and the bloodlines are prominent. We do hope that you can keep Thursday, March 24th open to be with us at Carroll, Iowa.

Squalus Controlor—I consider this calf about the best herd bull prospect I have produced. The dam of this bull has been a great producer for me. Her first calf won first at Red Oak. Her second calf was sold at a good price as the pick of my '48 calves. Her '47 heifer is the best bred heifer I am selling in this sale. Squalus Controlor is easily the best calf of the lot.

King Joffre was quite thin when taken off pasture, but has made a great improvement since. He looks now like he might make about as good a bull as any I am selling. His dam has been a great producer for me. A full sister sold in our last years sale to S. H. Kline and produced for him the best heifer calf we saw last year.

Roan Lady 4th has been picked by some visitors as the best of my 1948 heifers. A full sister was purchased in our last years sale by M. D. Linen of Portsmouth. That heifer produced a very outstanding bull calf for him by Sni-A-Bar Contolor. Although Mr. Linen is a Polled breeder, this calf looks so outstanding that he plans to replace his Polled herd bull with this calf.
